SIGNS ARE CHEAPER THAN FINES

Without proper safety signage, companies can end up paying millions of dollars in liability and fines. This is due to federal OSHA fines increasing from \$1,897 in 2013 to \$2,067 in 2014. Fortunately, National Marker Company manufactures the highest quality safety identification products to help make the workplace safer.

PARKING LOT

In 2011—57,656 parking lot accidents, resulting in 656 fatalities and 68,000 injuries.

MACHINE SAFETY

In 2011, more than \$1.6 billion was paid in workers' compensation claims due to "caught-in" machinery injuries, and average of \$36,413 per claim.

LOCK-OUT TAG-OUT (LOTO)

In 2014, \$7.8 million in fines were the result of a lack of LOTO signage and hardware that can help shield employee against the unexpected start-up of energy sources.

PERSONAL PROTECTION EQUIPMENT (PPE)

FALL PROTECTION 6,721 fall protection violations have lead to \$20.5 million in fines.

OUT THE DOOR

In 2014, there were \$3.2 million in fines against facilities failing to maintain visible hazardous conditions signs as regulated.

FIRE HAZARDS

In 2013, 148 workplace fatalities were due to fires and explosions. That's 3.4% of all occupational injuries that year.

ELECTRICAL / WIRING METHODS

In 2014, wiring violations cost organizations \$3.75 million in fines.

SCAFFOLDING - CONSTRUCTION

In 2015 there have been 4,295 scaffold violations and \$9.4 million in fines.

The toughest sign you'll NEVER REPLACE!

These signs are protected by a clear, tough, UV-cured liquid laminate—resist UV rays, chemicals, dirt/grime and water damage. The laminate ensures they won't ever have to be replaced. Buy a sign and never worry about it again. Have a special message, graphic, or shape in mind? Let our team design the perfect graphic for you in no time.
