

# NIGHTSTICK®

Life Depends on Light™

## Authorized Distributor

### CHAMPION PERFORMANCE

Nightstick products are built not only with lumen ratings that exceed most competitor products but also with optimized performance, such as candela, beam and run-times. Products are also designed and manufactured using the best quality housing materials, precision engineered reflectors, real-world switch functionality, state-of-the-art electronics and the latest generation battery technology.

Innovations like our exclusive Dual-Light™ design, combining a flashlight and a floodlight into a single light with the ability to turn both on simultaneously, is altering the idea of what a flashlight is capable of. Innovative thinking is reflected across the complete line of products.

### COMMITMENT TO QUALITY

All products produced at our dedicated ISO 9001 Certified Factories. Products are backed with a warranty and a 100% customer service satisfaction experience.

### EXCEPTIONAL VALUE

All of our products are designed to out perform with a higher quality standard than any other product in its class.

Even with the highest quality standards, the Nightstick line costs less compared to competitors.

## INTRINSICALLY SAFE LIGHTING PRODUCTS

### HEADLAMPS

### AREA LIGHTS

### HANDHELDS

### LANTERNS
