

Key to Safety In Welding

Premium Brand Quality & Patented Innovation

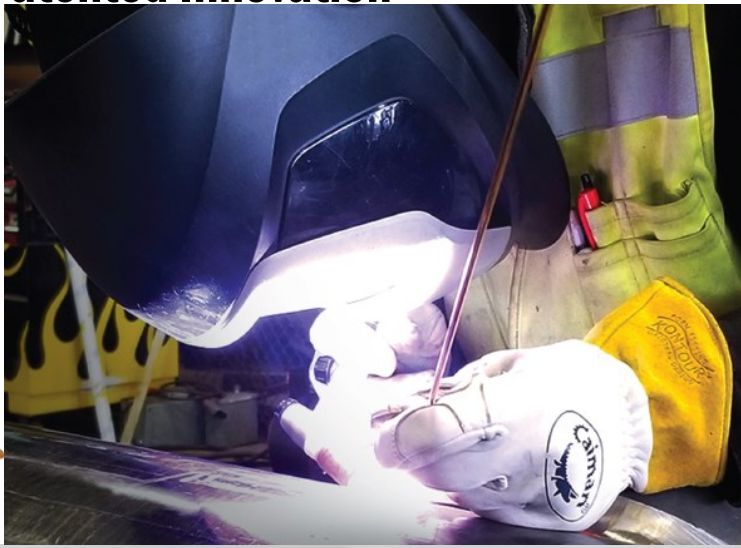

The Caiman® brand is synonymous with innovation, comfort and quality in high performance gloves and protective clothing for welders and utility workers, offering premium, unique patented design features and an optimal fit.

Part #66980

Part #1878

Choosing the right welding gloves

Stick Welding MAXIMUM HEAT PROTECTION

Choosing the right protection is essential to not only minimizing safety risks but maximizing worker productivity and the quality of the weld.

High Amp

500+ amp

- 1485**
CAIMAN® ELK SKIN WOOL INSULATED, M-XL
- ▶ Kontour™ form-fitting design
 - ▶ Thumb reinforcement strap, pulse protector
 - ▶ Wool lined for advanced thermal protection

Low to Medium Amp

50 to 200 amp / 200 to 500 amp

- 1506**
CAIMAN® SPLIT COWHIDE FLEECE LINED, L
- ▶ Kontour™ form-fitting design
 - ▶ Kontour Wrist™ design to enhance comfort and safety
 - ▶ Wool lined for advanced thermal protection

PREMIUM Welding Gloves

The Revolution® Series offers a 3-dimensional, form-fitting design never before applied to welding gloves. The Revolution® Series has become known as the top-of-the-line, most premium welding gloves in the world.

From material selection to the attention to design details, Revolution® delivers unprecedented comfort, style and safety.

Revolution®, as the name suggests, is a complete departure from traditional welding gloves with minimal comfort, finger dexterity, or aesthetic value. Caiman® Revolution® gloves instantly set the bar higher and became the new standard for others to follow.

MIG Welding ENHANCED DEXTERITY & COMFORT

High Amp

250+ amp

- 1520**
CAIMAN® GRAIN GOATSKIN WOOL INSULATED, L
- ▶ Kontour™ form-fitting design
 - ▶ Kontour Wrist™ design to enhance comfort and safety
 - ▶ Wool lined for advanced thermal protection

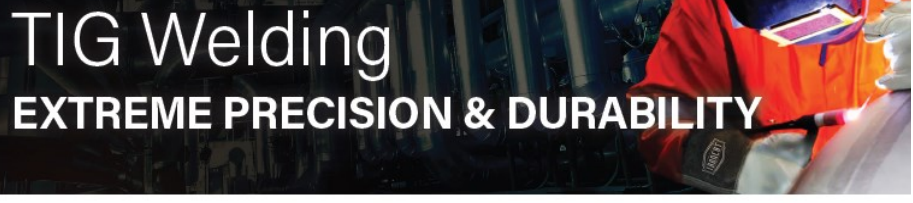

Low to Medium Amp

90 to 125 amp / 125 to 250 amp
